Lino Esparza

Green Building Construction Skills (GBCS)
An immigrant, Lino knew he had to overcome language barriers to attain his career goals. After enrolling in GBCS, he began Vocational ESL to improve his English skills. This paid off when Lino was offered a position even before graduating. Happy with where he's heading, Lino says, "I decided to make a life changing decision when I enrolled at CET. I am grateful that I had two instructors that took their time to teach me all that I learned. This opportunity was definitely worth taking."
